Director that impact staff below the Executive Director level.	
In our total compensation package, Lighthouse may provide various standard	
elements such as base salary, performance bonuses, expense allowances (car	
or gas, housing, telephone), or benefits allowances. As we balance these	
elements, we target the total value of the package to be conservative, yet	
competitive with other organizations with which we compete for talent.	
To determine the appropriate competitive level, the Board reviews practices	
of like organizations in the non-profit sector. We consider information in	
the local geographic markets where our employees reside, from sources such	
as recruiters, church officers and web-based surveys and publications. We	
also consider the competitive level that best fits the experience and	
leadership potential of a candidate or incumbent, in line with how we plan	
to grow the ministry in the future.	
Our Board and management team together strive to make the wisest investment	
with every dollar we spend; and to create an environment for our employees	
where they feel they are rewarded fairly, and empowered to give their all	
toward our mission of serving families and kids battling childhood cancer.
