Director that impact staff below the Executive Director level.

In our total compensation package, Lighthouse may provide various standard elements such as base salary, performance bonuses, expense allowances (car or gas, housing, telephone), or benefits allowances. As we balance these elements, we target the total value of the package to be conservative, yet competitive with other organizations with which we compete for talent.

To determine the appropriate competitive level, the Board reviews practices of like organizations in the non-profit sector. We consider information in the local geographic markets where our employees reside, from sources such as recruiters, church officers and web-based surveys and publications. We also consider the competitive level that best fits the experience and leadership potential of a candidate or incumbent, in line with how we plan to grow the ministry in the future.

Our Board and management team together strive to make the wisest investment with every dollar we spend; and to create an environment for our employees where they feel they are rewarded fairly, and empowered to give their all toward our mission of serving families and kids battling childhood cancer.
